Item #DND050ASTH10I, Diablo® Tools 5" Sand Demon™ Disc Assorted Pack (10-Pk) \$16.47

Thank you for shopping with us! Take sanding to the next level with Diablo's Sand Demon™ Reusable Sanding Discs. Engineered for unmatched performance, Diablo's Sand Demon™ discs feature advanced SandNET™ technology—an open-net, clog-resistant design that ensures superior durability and flawless finishes. Washable, reusable, and built to last, these innovative discs deliver up to 10X the life of standard sanding discs. Simply shake, vacuum, or rinse to clear away dust and debris, ensuring consistent performance and extended life with every use. From aggressive material removal to ultra-smooth finishing, Sand Demon™ reusable discs offer precision across all grits. Their versatile design works wet or dry on wood, metal, plastic, and painted surfaces. The open-net structure resists dust build-up, keeping sanding cleaner, faster, and more efficient. Diablo's Sand Demon™ range offers innovation built to last, results engineered to perform and efficiencies to increase productivity.

- Clog-reducing NET design for less dust build-up and up to 10X longer sanding life
- 10 Sand Demon™ reusable discs = 100 standard sandpaper discs.
- Clog-reducing SandNET™ technology for less dust buildup and up to 10X longer sanding life.
- Clean & Reuse simply by shaking, vacuuming, or rinsing.
- Premium ceramic grain blend for faster material removal and longer sanding life.
- Includes (2) 80-Grit/Coarse discs for leveling and heavy stock or paint removal
- Includes (2) 120-Grit/Fine discs for light stock removal and final sanding preparation before paint
- Includes (2) 180-Grit/Very Fine discs for removing minor imperfections and initial sanding between paint/stain coats
- Includes (2) 220-Grit/Ultra Fine Finish discs for final sanding and surface preparation for stain/varnish
- Includes (2) 400-Grit/Final Finish discs for final intercoat sanding of stain/varnish

SPECIFICATIONS
