\$5.78

Thank you for shopping with us! Take sanding to the next level with Diablo's Sand Demon™ Reusable Sanding Sheets. Engineered for unmatched performance, Diablo's Sand Demon™ sheets feature advanced SandNET™ technology—an open-net, clog-resistant design that ensures superior durability and flawless finishes. Washable, reusable, and built to last, these innovative sheets deliver up to 10X the life of standard sanding sheets. Simply shake, vacuum, or rinse to clear away dust and debris, ensuring consistent performance and extended life with every use. From aggressive material removal to ultra-smooth finishing, Sand Demon™ reusable sheets offer precision across all grits. Their versatile design works wet or dry on wood, metal, plastic, and painted surfaces. The open-net structure resists dust build-up, keeping sanding cleaner, faster, and more efficient. Diablo's Sand Demon™ range offers innovation built to last results engineered to perform and efficiencies to increase productivity. **Fine ceramic blend grit for light stock removal and final sanding preparation before paint.** 4 Sand Demon™ reusable discs = 40 standard sandpaper discs. Clog-reducing SandNET™ technology for less dust buildup and up to 10X longer sanding life. Clean & Reuse simply by shaking, vacuuming, or rinsing. Premium ceramic grain blend for faster material removal and longer sanding life. Compatible with 1/4 sheet palm sanders, 1/3 sheet orbital sanders, or cut to fit your tool. Ideal for wet or dry use when sanding wood or painted surfaces. For best end results, sand with the grain of the wood. For best results, do not skip more than one-grit between each sanding step. It is recommended to work in a sequence from coarse to micro fine.
