Item #DOU125JCW3, Diablo 1-1/4"(w) x 1-3/4"(d) AMPED™ Demo Demon™ Universal Fit Carbide Teeth Oscillating Blade for Clean Wood -3 Pack $44.77

Thank you for shopping with us! Diablo's AMPED™ Demo Demon™ universal fit carbide oscillating blades feature application specific designs that deliver extreme durability, high quality finish, and superior cutting life in clean wood applications. High performance carbide teeth deliver an unmatched up to 50X longer cutting life versus standard bi-metal blades. Curve contact edge creates a pilot for precise, clean plunge cuts with less vibration while the Tracking Control design ensures straight and clean cuts. An optimized blade design and Black I.C.E. (Industrial Cooling Element) coating protects cutting edge against wear for extreme durability and longer blade life. The blade's universal fit, adapter-free design easily attaches to most tools, except for Starlock tools. -High performance carbide for greater durability and up to 50X longer life versus standard bi-metal blades -Black I.C.E. coating protects cutting edge against wear for extreme durability and longer blade life -Tracking Control design for controlled, straight, and clean cuts -Curve Contact Edge for precise, clean plunge cuts with less vibration -Application specific tooth geometry delivers a controlled and clean cut. Universal interface design fits most tools, no adapters needed Maximum performance in cordless and corded oscillating multi-tools from Bosch®, Craftsman®, Dewalt®, Dremel®, Fein®, Hart®, Makita®, Milwaukee®, Porter-Cable®, Ridgid®, Rockwell®, and more Not compatible with Starlock tools Ideal for clean wood

SPECIFICATIONS	
Manufacturer	Diablo Tools
Cut Depth	1 3/4 in
Cut Height, Length, or Width	1 1/4 cut width
Interface	Universal Fit
Tooth Design	Carbide
Note	Not compatible with Starlock tools
Pack Quantity	1 pack of 3
