Item #DS0930DGX, 9" Diablo Diamond Grit Recip Blade for Cast Iron, Fiber Cement, Masonry, and Fiberglass (Single)

\$13.67

Thank you for shopping with us! Diablo's diamond grit reciprocating saw blades are specifically designed for maximum performance. These blades deliver up to six times longer life than standard blades on the market today. A reinforced blade backing allows for straight and accurate cuts. Perma-shield® coating protects the blade from heat, gumming, and corrosion. Thin kerf design for fast cuts. Ideal for cast iron cutting.
