### Item #DS1203CP10, Diablo 12" Demo Demon Carbide-Tipped Pruning and Clean Wood Blade (10 pack)

**\$103.16**

Thank you for shopping with us! Diablo's new Demo Demon carbide pruning and fast clean wood blades feature an aggressive carbide tooth geometry for an unmatched 50 times longer cutting life, faster cuts, and increased productivity in pruning and clean wood cutting applications. These industry first carbide blades are designed with large gullets and a strengthened, oversized blade body for fast chip removal in extreme cutting applications. In addition, these radical blades feature Perma-Shield® non-stick coating to prevent gumming and friction for fast, effortless cuts in some of the toughest wood cutting scenarios. Carbide-tipped cutting edge for up to 50X cutting life versus standard pruning blades. Ultimate cutting performance in clean wood and pruning applications. Aggressive carbide tooth geometry delivers fast and effortless cuts. Large blade gullets between teeth provide fast chip removal. Strengthened, oversized blade body for extreme cutting applications Ideal For: Pruning
