Item
#DS1214WBF25,
12in Diablo BiMetal Recip
Blade for Auto
Dismantling - 25
Pk Bulk
\$94.46

Thank you for shopping with us! The Diablo Bi-Metal **Reciprocating Blades** are the most innovative blades on the market, delivering breakthrough 5x performance than standard blades. The unique feature combination of Ultra-Hardened Bi-Metal teeth, frictionreducing coating, and high performance Variable Tooth Design provides users with never-seen-before performance and ease of use. Diablo's reciprocating saw blades are specifically designed for maximum performance in general purpose (nailembedded wood and metal) applications. These high performance blades feature bi-metal technology that delivers up to five times longer life than standard blades on the market. Diablo's patented variable tooth technology provides faster cuts with less vibration. Perma-shield® coating protects the blade from heat, gumming, and corrosion 1" Demolition body for straighter cuts with less vibration Ultrahardened cutting edge for up to five times longer life than standard blades A one-of-a-kind tip design that enables faster and easier plunging ×
