### Item #FC-001, Freud Carbide Forstner Bit \$26.38

Thank you for shopping with us! Freud's Carbide Forstner Bits bring a technical level of excellence not found in a standard high speed steel forstner bit. These bits will drill through a multitude of materials. Use to drill pocket holes, angled holes, overlapping holes, and flat bottom holes. Best of all, these bits will not burn like a standard forstner bit and will stay sharp many times longer. **Application:** Drills all composition materials, plywoods, hardwoods, solid surface materials, and softwoods. Use in hand held drills and drill presses.
