Item #IC-22-016-SP, Freeborn Straight Cutter Insert 4" OD, 1-1/4" Bore, 30mm Tips, 14x14 Spur Bit \$308.00

Thank you for shopping with us! Using standard 30mm or 60mm carbide inserts, this is an easy and inexpensive way to perform trim or rabbet cuts. Note: spurs are required for all cuts except trimming. Freeborn Cutters come loaded with a set of inserts. Replacement tips are sold separately.
