### **Item #Kit #7500 Round Edge, Vortex Flat Table Dovetail Drawer System: Round Edge \$720.29**

Thank you for shopping with us! Now you have the ability to use your flat table router to make Dovetail Drawer Boxes. This "tooling system" will allow users to quickly and easily make dovetail drawer components with a nested base format. Available in two dovetail designs: the traditional square edge and the new rounded edge. The body is manufactured to accept both styles of insert and has a 3/4" shank diameter. Components are also sold separately.
