### Item #MC 50-090, Freeborn (6-Piece Cutter Set) Cope and Pattern Cutter Set - 3/4" Bore (Mini-Pro), 3-Wing, 2-15/16" Dia, Applied Moulding Set \$612.85

Thank you for shopping with us! Versatile and easy to use. These 6-piece cutter sets are designed to perform the 3 functions shown. Our standard sets cut 1/4" wide x 3/8" deep tongue and groove. Our common minor diameter requires NO fence adjustment when changing from cope to pattern cuts (3/8" tongue only). Counterclockwise rotation with wood fed face down. Optional tongue and groove cutters and eased edge and opposite rotation are available.

Each function of the 6 piece cope & pattern set requires a different cutter configuration. For desired results, use the following guide to set up each operation.

**REMEMBER:** Always stagger cutters when stacking. Never stack wing to wing.

#### Mini-Pro Shaper Cutters

- 3 wing
- 2-15/16" diameter
- 3/4" bore
- Runs with a rub bearing (AM-90-035)

## SPECIFICATIONS

|                     |                                                                                                                                                                |
