Thank you for shopping with us!

Heavy duty. Specifically designed for smooth ripping.

The low tooth count and large gullets combine to make these blades fast and aggressive. The absolutely flat, laser-cut body ensures precise cuts. The laser-cut expansion slots virtually eliminate vibration and noise. Suitable for use in table saws or gang-rip saws.

30mm bore accepts pinhole arrangements of 2/10/60, 2/7/42, 2/9/46
