### Item #MD10-240, Amana A.G.E. Series Ripping Saw Blades: Heavy Duty, ATB Grind \$57.51

Thank you for shopping with us!

**Heavy duty. Specifically designed for smooth ripping.** MD10-240 is one of Amana's most popular blades. The low tooth count and large gullets combine to make these blades fast and aggressive. The absolutely flat, laser-cut body ensures precise cuts. The laser-cut expansion slots virtually eliminate vibration and noise. Suitable for use in table saws or gang-rip saws. **Warning:** Not recommended for cutting non-ferrous alloys, plastic, laminate, and melamine.
