Item #MD12-106TB, Amana A.G.E. Series Thin Kerf Miter/Finishing Saw Blades \$114.00

Thank you for shopping with us!

Thin Kerf Miter/Finishing Saw Blades.

Cut gap-free miters, every time. These blades are designed for smooth crosscuts in a variety of materials from hardwoods, softwoods and sheet goods. Ideal for underpowered saws; thin kerf blades reduce waste in expensive materials and require less horsepower to operate..

MD12-606: one of Amana's most popular blades

Warning: Not recommended for cutting non-ferrous alloys, plastic, laminate, and melamine.
