Item #MSJ-G8M, Global Tooling LuxCut III Journal Helical / Spiral Cutterhead: 8" General Jointer (3.125" CC)

\$751.74

Thank you for shopping with us!

Reduce noise—A 25 decibel average sound reduction is common.
Reduce grain tear-out and fuzzing.

Low cost operation—Four sided carbide knives can last up to 50 times longer than standard steel blades.

Heads come with the inserts installed and ready to run.

Lux Cut III spiral heads are an excellent upgrade for planers and jointers. The design incorporates 4 edge carbide insert knives with a slight radius on the cutting face, set at a shear angle for better cutting and longer insert life. The unique insert design allows for simple and accurate installation and rotation.

Heads come with the inserts installed and ready to run.

Also included: bearings, wrenches, spare knives (5-10), and spare screws (5-10).
