Thank you for shopping with us! At time of purchase, you may substitute the following tongue & groove cutters for the standard tongue & groove cutters in your cope & pattern set, at no additional charge. If you choose an optional center groover set, you will be unable to do the tongue & groove option. Available on all M-50 and P-10 series cope & patterns. Diameters will no longer be the same, requiring fence adjustments between cuts. Center groovers only - profile cutters not included. **Please contact us for assistance in ordering options.**
