### **Item #PT1412, Popular Tools 14 in Precision Trim Saw** **\$239.40**

Thank you for shopping with us! Popular Tools Precision Trim Saws have teeth that are beveled on the face and top. This improvement on the standard ATB design gives an extra-fine cutting edge. The raker tooth cleans away any stray saw dust so the teeth cut with perfect precision. This is the smoothest cutting blade you will find! Add stabilizers to achieve super-fine cuts.
