Item #RB1628, Amana Tool Carbide-Tipped Euro Rip with Cooling Slots 16 Inch Dia x 28T FT, 18 Deg, 1 Inch Bore **\$135.00**

Thank you for shopping with us!

Designed for ripping hardwood and softwood, this exceptional blade cuts fast and smooth. The flat-top grind and the high positive hook angle (20°) reduce feed effort. The anti-kickback limits the thickness of chip, to offer a safer cut. Cooling slots in the body prevent excessive heat build up.

Warning: Before use, read saw blade safety guidelines in [Amana's catalog](#).

Soft/Hardwood
Ripping
