Item #RCK-485, Amana Tool Solid Carbide MDF & Wood Plunge Form Insert Knives (Industrial) \$104.80

Thank you for shopping with us! Advantages of **Insert Tooling** Long lasting insert knives provide superior smooth quality cuts every time. Quick and precise replacements of dull knives. Due to insert accuracy tool life is extended. Insert tooling allows for harder grades of carbide. Knives can be resharpened multiple times without affecting the original profile Cost effective solution compared to replacing brazed router bits.
