Item #RD4111A, Whiteside O-Flute Solid Carbide 3/8 x 1 1/8 Spiral Bit Downcut - Plastic Cutting, 3/8 Shank
$53.93

Thank you for shopping with us!

Whiteside Machine's O'Flute Plastic Cutting Spiral is the best bit for plastic projects, made from solid carbide and designed to utilize a shear cutting action to provide a smooth cut. This design will also decrease the buildup of material on the cutting edge. The spiral flute outperforms traditional o-flute straight bits by providing the absolute best cut and superior chip ejection.
