Item #RU5200CB, Whiteside Machine Chipbreaker Spiral Bit 1/2 x 2 Upcut- Two Flute \$93.65

Thank you for shopping with us! Each flute has small serrations to tear up the chips as the bit cuts through the project. Has a feed rate in between that of a roughing bit and a standard spiral bit. Upcut spiral design provides the best control with hand or table routing, pulling the chips up and away from the work material.

SPECIFICATIONS
