### **Item #S2003665, Everlast Astra Series 200mm Dia 36-Tooth 65mm Bore 8° Hook Scoring Saw- Straight Top & Conical Sides \$211.83**

Thank you for shopping with us!

Used on both sliding carriage and beam type panel saws to score the bottom of panels, thus allowing a large saw to cut through without chipping material on bottom side.

Straight Top Grind - STR - Each tooth will cut full kerf making this design very effective for removing material however high cutting pressures are present. Typically used for rip cutting hardwood and softwood.
