Item #S55225, FS Tool XL4000 Extended Life Combination/Planer Saw Blades **\$147.26**

Thank you for shopping with us.

Design:

- Tooth configuration: 4 ATB & 1 Raker
- Cutting Material: TC XL4000
- Four ATB teeth and one raker with a deep gullet allows deeper cuts and improved chip flow

Application:

- For crosscutting and ripping dry soft and hardwoods, plywood, and particleboard.
- On table saws, sliding table saws, and cut-off saws
