## Item #Series 7900, Vortex Tool Series 7900 Four-Piece Insert MDF Door Set

**$1,890.74**

Thank you for shopping with us! By using tools in combination, you can create solid doors with the appearance of five-piece construction. By selecting a few different patterns, you can mix and match profiles to make hundreds of different door designs. Set 7900 comes complete with four insert bodies and the inserts. All tools have a 3/4" shank diameter. The insert bodies and inserts are also sold separately.
