\$42.00

Thank you for shopping with us!

- Magnetic nut drivers feature industrial strength magnets that lock hex head fasteners securely into place for one-handed driving.
- Made from premium S2 tool steel, proven to be the most durable for high torque repetitive tasks like fastening.
- Patented torque absorbing rings allow the bit to drive more fasteners without breaking.
- Color code size ID bands have bold colors and markings that allow users to quickly find the bit they need.
- CNC machined tips give Impacttech bits the best fastener fit in the industry so you strip fewer screws.
