## Item #TRK1740N, Popular Tools 17 in Truss & Component Saw \$387.76

Thank you for shopping with us! Popular Tools Truss Blades are manufactured with a thicker plate for smoother and straighter cuts every time. These blades come with standard tapered mounting holes to fit 5/16 in bolt with 82 degree tapering, except TRK1740N, which fits a 1/4 in bolt. Size of mounting holes may vary on the open side due to the thickness of saw plates. All truss blades have 10 degree hook angle.

| SPECIFICATIONS |  |
|----------------|--|
