Item #ZWAX (24), Popular Tools Wax Sticks - Case of 24
$900.00

Thank you for shopping with us! Popular Tools wax stick is an excellent grease stick that provides lubrication as well as reduces friction and tool wear. We recommend using lubrication when cutting non-ferrous materials (refer to our Popular Tools Non-Ferrous Saw Blades) and Popular Tools wax stick is designed for just that purpose. An affordable way to reduce chattering, burring, and galling when cutting non-ferrous materials. Biodegradable, non-irritating, and non-toxic. Sold individually or as a case of 24.
